Your data:

- **When ordering;** your data we only use for intern use and to deliver your order.
- **Subscribe to our newsletter;** your name and e-mailaddress we only use to send the newsletter with our own program. Your data will not shared with third parties.
- **Contact data;** We will not store your data in our system.

Use of Cookies

Cookies are used on our website JvH-puzzels.nl. A cookie is a small file that is sent along with pages from a website and is stored by your browser on the hard drive of your computer. The cookie allows your browser to be recognised after repeated visits to a website.

The information that is stored is used for:

- The proper functioning of the website. This information is not shared with third parties.
- For statistical visitors data from the website. We use Google Analytics. This data is not shared with third parties.

Storage period.

We save your data for an indefinite period. This allows you always to view your order history or invoices. When you log in you can easily change all your data. If you want your data to be deleted, please send us an email at info@jvh-puzzel.nl

As you can see, we handle your data with care and will never "chase" you on the internet or via social media. We will never share your data with third parties!
